Digimon Digital Monsters

I do not own anything in this story

>I dislike made up stories about charecters (by whitch I mean fanfics) because in my opinion they make fun of the charectors
however after seeing if others shared my ideas about charecters i realized like tv and videogames may be windows too other dimensions

>(ever put your finger hard enough on a computer it gives kind of a portal effect) (like the entrance to hazy mazy cave in super mario64 and ds remake)
fanfics may be paralell diminsions to those said diminsions so please if you write a fanfic dont do anything too drastic. if you cant find any of my stories then they have been deleted but don't worry it most likely means its being updated.(because i have to use notepad)

Chapter 1 Before **It begins**

It had been several weeks since me and my friends digivolved and bounced our digivices to the human world, but our partners have not yet arrived, My name is Koramon.

Koramon: I was sitting in a tree, spying on Tanemon while she was playing with Yokomon, When I notice my best friend Tsunemon heading up to them.

Tsunemon: Um, uh, excuse me but um can I play with you guys?

Yokomon: Sure Tsunemon!

Yokomon taps Tsunemon causing him to blush.

Yokomon: Tag your It!

My friends playing makes me smile.

Koramon: Tsunemon has always been the shy type, especially around Yokomon. I know how he feels, Sometimes I feel like that around Tanemon, Despite the fact that I'm the bravest of our team, But Tsunemon, well he's very shy around Yokomon and thats saying something since he's already very shy.

Tanemon then stops and looks toward the tree I'm in, I try to hide but she comes over anyway.

Tanemon: Hey Koramon! Wanna play?

Koramon: (blushing) Um uh, maybe later, I'm kind of feeling sleepy right now.

Tanemon: Okay, See you later.

I watch fixated on her as she leaves.

Koramon: 'I've never told anybody I like her, not even Tsunemon, and he trusted me enough to tell me about his crush on Yokomon.'

I watch as the others join in the fun.

Tokomon starts munching on a flower, while Bokomon starts telling jokes, and Motimon is inspecting a tree.

Koramon: I may never understand Motimon's tree obsesion.

GUAHHHHHHHHHHH!

Koramon: That big scary Kuwagamon is still looking for us, good thing we're small.

Suddenly Kuwagamon lands by the group of in-traning digimon.

Koramon: Oh No! He spotted us.

Naturally being the leader of our group I jumped out of the tree to defend my comrades.

Koramon: New Game Guys! Hide and Seek!

Everyone runs and hides while I Distract the beast.

Koramon: Bubble blow!

I launch a flurry of pink bubbles at the overgrown beattle, only to be knocked far away into the forest.

Koramon: At least the others are safe. I hope Tanemon's okay.

Suddenly I spot seven meteors heading towards our forest, one of which lands right by me. When the smoke clears I see an unconscious boy with goggles.

Koramon: They're here! Tai!
